

DIG 730

Digital picture frame

Safety Information

Prevent Fire Hazards

- Always use from water, moisture and dryly places.
- Preventing temperature 50°C / 122° Fahrenheit in a hot or wet area.
- Never overload or trip the power frame.
- Always be to turn the power off when you have finished using.
- Do not use extension cables for the power frame.
- Always use a power supply from the power outlet of the frame, the use of extension cables between the frame and AC power, will increase the risk of fire.

Warning:

Do not use the use of the electric shock, do not expose to rain, moisture, dripping or splashing.

Package Contents:
